The Signature Ceremony of the European and Central Asian Safety Network (EuCAS Network), in the presence of Mr Lentijo, DDG-NS and Mr Caruso, DIR/NSOC, gathered about 45 participants. The heads or senior representatives of 19 regulatory bodies and technical safety organizations (TSOs) in the region signed the terms of reference of the network, thereby officially establishing the new EuCAS Network. The following countries were represented: Armenia, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Czech Republic, France, Georgia, Greece, Kazakhstan, Lithuania, Moldova, Norway, the Russian Federation, Slovakia, Serbia, Tajikistan. It was announced that Romania and Germany will also sign the document in the next days. In total, the EuCAS Network will count 21 organizations from 19 Member States.
