

IAEA

Decisions of Plenary members (topic 9 of the Agenda of FNRBA Plenary VIII Sept.26, 2016

FNRBA

The Forum of Nuclear Regulatory Bodies in Africa

FNRBA2016-1 To review of the Charter to improve the efficiency and the governance

Justification

official channels for nomination by the Member States
financial commitment and relevant information sharing with FNRBA
reporting lines by TWG leaders
other process (election, publication procedures, etc...)

Review process of the charter

September 27, 2016: Decision to revise the charter
Time to integrate inputs from the members in the Charter, consolidation by FNRBA Secretary (March 2017 before next Steering Committee)
FNRBA will send working draft of Charter to IAEA/OLA after internal review of Charter by Member States (April 2017)
Finalized FNRBA Charter should be circulated to all Permanent | Missions of FNRBA Member States to aid in increasing awareness of FNRBA and its activities (end of June 2017).
September 2017: Plenary members approve the revised Charter.

On Sept.26, 2016, Plenary members of FNRBA approved to start reviewing on the Charter.
