- FP J: Quality Assurance
- FP K: Contingency Plans
- FP L: Confidentiality

IAEA General Conference 2018

9. Encourages all Parties to the CPPNM and its 2005 Amendment to fully implement their obligations thereunder, encourages States that have not yet done so to become party to this Convention and its Amendment, further **encourages the Agency to continue efforts to promote further adherence to the Amendment with the aim of its universalization**, welcomes the organization by the Secretariat of CPPNM meetings and encourages all States Parties to the Convention to participate in relevant meetings;

Resolution GC(62)/RES/7

ACPPNM Universalization

- **GOAL 1: All CPPNM States Parties to Join ACCPNM**
- **GOAL 2: All Other States to Join CPPNM and ACPPNM**

Status of Adherence to the CPPNM and its Amendment by African States

- 38/54 African States are party to the CPPNM, of which 22 States are party to the Amendment
- 1 African State recently joined the CPPNM and its Amendment (Chad shall become a Party to both the CPPNM and its Amendment on 16 October 2019)

Status of Adherence to the CPPNM and its Amendment by African States

No	Countries	CPPNM	ACPPNM
1	Algeria	Yes	Yes
2	Angola		
3	Benin		
4	Botswana	Yes	Yes
5	Burkina Faso	Yes	Yes
6	Burundi		
7	Cameroon	Yes	Yes
8	Cabo Verde	Yes	
9	Central African Rep.	Yes	
10	Chad	Yes	Yes
11	Comoros	Yes	
12	Côte d'Ivoire	Yes	Yes
13	D.R. of the Congo	Yes	
14	Djibouti	Yes	Yes
15	Egypt		

No	Countries	CPPNM	ACPPNM
16	Equatorial Guinea	Yes	
17	Eritrea		
18	Eswatini	Yes	Yes
19	Ethiopia		
20	Gabon	Yes	Yes
21	Gambia		
22	Ghana	Yes	Yes
23	Guinea	Yes	
24	Guinea-Bissau	Yes	
25	Kenya	Yes	Yes
26	Lesotho	Yes	Yes
27	Liberia		
28	Libya	Yes	Yes
29	Madagascar	Yes	Yes
30	Malawi	Yes	

Status of Adherence to the CPPNM and its Amendment by African States (cont.)

No	Countries	CPPNM	ACPPNM	No	Countries	CPPNM	ACPPNM
31	Mali	Yes	Yes	43	Seychelles	Yes	Yes
32	Mauritania	Yes	Yes	44	Sierra Leone		
33	Mauritius			45	Somalia

40	Rwanda	Yes		52	Uganda	Yes	
41	Sao Tome and Principe			53	Zambia	Yes	
42	Senegal	Yes	Yes	54	Zimbabwe		

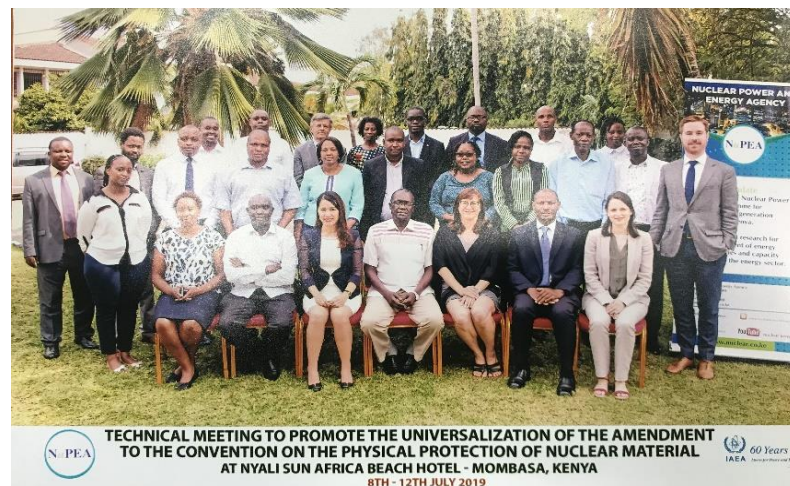

IAEA Assistance for Adherence to and Implementation of the CPPNM and ACPPNM

- Technical Meetings of CPPNM and ACPPNM States Parties
- Regional and national workshops in cooperation with OLA
- International conferences and seminars
- Participation in nuclear security related events
- Bilateral engagement with the States through the establishment of Integrated Nuclear Security Support Plans (INSSPs)
- Legislative Assistance Activities

2019 Key Activities

INTERNATIONAL SEMINAR, VIENNA, MAY

TECHNICAL MEETING, KENYA, JULY

EXPERT MISSION, MALAYSIA, AUGUST

Ongoing Activities:

- Regional Workshop, Costa Rica, Oct. 2019
- CPPNM and ACPPNM POC Meeting, Vienna, Nov. 2019
- Assisting States Parties in organizing two Meetings of Legal and Technical Experts on Preparations for 2021 ACPPNM Conference

In Summary,

- Adherence to and implementation of the CPPNM and its Amendment **strengthen national, regional and global nuclear security**
- Every **regional effort** to encourage further adherence to the CPPNM and its Amendment contributes to enhancing regional nuclear security and would be a **significant example** for other regions
- It is essential that **all States become parties** to the CPPNM and its Amendment, including those States not possessing nuclear material or facilities, and those with limited activities
- Upon States' request, the IAEA stands ready to provide the assistance to **facilitate States' adherence** to the CPPNM and its Amendment.
