Working Session 1: Conducting a Hazard Assessment for the Transport of Radioactive Material

**IAEA-KINS Workshop on the Emergency Preparedness and
Response to Nuclear and Radiological Emergencies**

19 - 23 June 2023, Daejeon, Republic of Korea

Questions to be Considered

Consider the following questions in the context of a hazard assessment for transport of radioactive material:

- **What type of information would you expect to obtain from the regulatory body and the transport authorities?**
- **What type of information would you like to receive from the consignors and carriers?**

Expected Outcome

- Prepare a brief presentation on the group findings
- Present it to the group
- Discussion among groups

Timing

- Total time allocated:
 - About **90 min**
- WG Presentation and discussion:
 - The last **30 min** of the working session
