- Presentation of results by the groups
- General discussions and summary of lessons learned

Session 5: Closure of the meeting

- Evaluation and feedback by the participants
- Closing

Evaluation by participants

- Please, fill out the Survey Monkey questionnaire for the evaluation
- It will help us improving the workshop content and structure
- For responding to the questions visit

The image shows a screenshot of a SurveyMonkey questionnaire. At the top, there are logos for the IAEA (International Atomic Energy Agency) and the ANSN (Asian Nuclear Safety Network). The title of the survey is "National Workshop on the Development of Nuclear Safety Knowledge Management Programme". The dates are "29 July – 2 August 2024". A message asks participants to provide honest feedback to help improve the workshop, noting that the survey takes 5-10 minutes and responses are anonymous. Below this is a blue "OK" button. The first question is "Content: Presentations were well structured." with four radio button options: "Strongly agree", "Agree", "Disagree", and "Strongly disagree". At the bottom, it shows "0 of 22 answered" with a progress bar.
