

Buenos Aires, Argentina (12 - 16 December 2022)

The third regional SMR RF workshop on regulatory challenges in SMRs, for the Latin America region, was held in **Buenos Aires, Argentina**, from **12 to 16 December 2022**, with the participation of **21 representatives from six IAEA Member States** (Argentina, Cuba, South Africa, Paraguay, Brazil, Bolivia) and three invited lecturers from the SMR RF. The workshop was hosted by the Nuclear Regulatory Authority of Argentina (ARN) and included a visit to the CAREM-25 SMR construction site.
