

Sydney, Australia (14 - 18 November 2022)

The second regional SMR RF workshop on regulatory challenges in SMRs, conducted for the Asia-Pacific region, was held in **Sydney, Australia**, from **14 to 18 November 2022**, with the participation of **18 representatives from nine IAEA Member States** (Australia, the People's Republic of China, India, Indonesia, Republic of Korea, Malaysia, Philippines, Singapore, and Viet-Nam), and two invited lecturers from the SMR RF. The workshop was hosted by the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA) and included a visit to the OPAL reactor.
