

Rio de Janeiro, Brazil (7 - 11 October 2024)

The sixth SMR RF workshop on regulatory challenges in SMRs, for the Latin America region, was held in **Rio de Janeiro, Brazil**, from **7 to 11 October 2024**. 28 representatives from ten IAEA Member States (Argentina, Brazil, Georgia, Kenya, Korea, Nigeria, Pakistan, Paraguay, South Africa and Türkiye) participated in the workshop. The event was hosted by the Brazilian National Nuclear Energy Commission (CNEN) and included a visit to the ARGONAUTA research reactor at the Institute of Nuclear Engineering.
