

Amman, Jordan (6 - 9 December 2021)

The first Regional Workshop was held in **Amman, Jordan**, from **6 to 9 December 2021**, with the participation of **18 representatives from eight IAEA Member States** (Jordan, Saudi Arabia, Egypt, Ghana, Senegal, Pakistan, Nigeria, and Sudan), and two invited lecturers from the SMR RF. The workshop was hosted by the Energy and Minerals Regulatory Commission (EMRC).

During the 3.5-day event, the SMR RF experts presented the main outcomes developed during the Pilot Phase and Phase 2, while the country representatives provided updates on the status of their regulatory programs.
