

Title: Consultancy meeting to review questionnaires used to perform Integrated Reviews of Infrastructure for Safety [IRIS] against SSG 16

Location: Austria, Vienna

Dates of Mission: 2013-02-18 to 2013-02-22

Objectives:

The objective of the meeting was to review draft question-sets developed from SSG 16, including the question-sets developed for the following safety elements:

- National policy and strategy;
- Legal framework;
- Regulatory framework; and
- Global nuclear safety regime.

The meeting was also an opportunity to identify guidance and recommendations on how to develop questions for self-assessment purpose.

Duties performed:

Review of draft question-sets developed from SSG 16, including the question-sets developed for the following safety elements:

- National policy and strategy;
- Legal framework;
- Regulatory framework; and
- Global nuclear safety regime.

Conclusions:

Results of the meeting are reflected in the relevant draft question-sets and in the draft guideline.
