

Title: National Workshop on Regulatory Framework and Approaches

Location: Jakarta, Indonesia

Dates of Mission: 21 -25 April, 2014

Objective:

Participants were acquainted with key aspects of an effective regulatory framework for the safe implementation of a nuclear power programme, alternative regulatory approaches, challenges of the licensing process for Nuclear Power Plants (NPPs) as well as the conduct of the main regulatory functions in Finland, Pakistan and the United Kingdom.

Conclusion:

The workshop was successfully implemented.

The event was carried out with funding by the European Union
